Respected
NAPA
members &
beyond

Greetings!

I cordially invite you to attend the upcoming NAPA's 10th talk session. Please do not miss the opportunity to interact in a live discussion forum on 'National Planning Approach for the economic prosperity in the Federal Context of Nepal.' Join us to add value on our collective strength & resource pool.

Together, we
can make a
difference.

Respectfully,

Talk Summary

Nepal has introduced a federal system of government that needs different sets of approach for economic development. Being an apex body for planning developmental activities, National Planning Commission (NPC) has devised itself to address Nepal's developmental needs through different strategies and approaches. During this talk, Dr. Ram Kumar Phuyal, member of NPC will present the approach NPC is employing for the betterment of people's lives in federal system.

Speaker's Bio: Dr. Ram Kumar Phuyal is a member of the National Planning Commission, Government of Nepal (GON). He was born and raised in Sindhuli, Nepal. He received a PhD in economics from Chonnam National University in Korea, and MA (in Economics) and a BA (Economics & Mathematics) from Tribhuvan University. He is an economist with more than 15 years of experience working on microeconomic analyses of economic development with theoretical and micro-models with the insights of contemporary mainstream economics in developing and industrialized countries. Prior to this appointment as a Member of Planning Commission, he was an Associate Professor in Economics at Centre for Economic Development and Administration (CEDA), Tribhuvan University, Kirtipur, Nepal.
