

NAPA 2024

4th BIENNIAL INTERNATIONAL SCIENTIFIC CONFERENCE

MAY 24-26, 2024 | BALTIMORE, MD, USA

Call for Abstracts

The Conference Organizing Committee (COC) of the Association of Nepalese Agricultural Professionals of Americas (NAPA) is pleased to announce the call for abstracts for the 4th NAPA Biennial International Scientific Conference with the theme “**Climate-Smart & Innovative Agriculture.**” Abstracts are solicited for oral, poster, and rapid-fire (for students only) presentations within the disciplines of Agricultural and Allied Sciences.

Submission Guideline

- Abstracts should be focused on achieving sustainable supplies of food, feed, fuel, and fiber (4F) considering the climate change and food security impacts are encouraged.
- Abstract should not exceed **300** words. Preparation of abstract should be as follows:

Title:

Author(s) and affiliation(s):

Email of corresponding author:

Discipline: Select the relevant discipline from the submission portal.

Keywords: Enter up to **five** keywords

Abstract: Include a brief introduction, objective, methods, results, and conclusions.

Submit the abstract online at: <https://www.napaamericas.org/NAPA-conference-2024>

Important Dates

Submission open: August 15, 2023

*Submission deadline: October 31, 2023
(11:59 PM ET)*

*Notification of acceptance: December 31,
2023*

For Students Only: Best Oral, Poster, and Rapid-Fire Presentation Award

Three outstanding oral, poster, and rapid-fire presentations, each, will be awarded a cash prize of \$250, \$150, and \$100 for the first, second, and third positions, respectively, along with a certificate of appreciation. Students must indicate their interest in participating in oral, poster, and rapid-fire competitions.

Award

- A limited number of awards for registration and/or accommodation (no airfare or travel support) may be available to students and young scholars. Further information about the request for award will be announced at a later date.

Publication Opportunities

- All accepted abstracts will be published in the conference proceedings and distributed at the conference.
- Selected abstracts will be invited for an extended abstract to be published in a special conference supplement issue of Global Journal of Agricultural and Allied Sciences (GJAAS) (www.gjaas.org). For wider dissemination, DOI (digital object identifier) will be assigned to all accepted extended abstract.
- All presenters are encouraged to submit a full article of their presentation to a special conference issue of GJAAS.
